Things are returning to normal at the Center. Bingo is back. Pool has returned. Pitch players are playing. All card games are re-suming. Masks are optional and not required. Margit is singing in the kitchen. Speakers and presentations are back. If you have any activities that you would like to see at the center, come see me in my office. My door is always open to all our members. This center would not exist without you. Pop your head in anytime and say "hi".

We provide programs that allow our participants the opportunity to lead quality lives and contribute to our community. We host multiple fundraisers throughout the year to support the Center, which includes a collection bin for aluminum cans in our parking lot.
