### WHAT DOES BEING A “MEMBER” OF THE ANDOVER SENIOR CENTER MEAN BESIDES ENJOYING

#### THE PROGRAM AND BENEFITS OF MEMBERSHIP?

It means that as a member, you have a vested interest in seeing that the center is used in a beneficial way to both members and the community. Ways that you can (and are) doing this is by participating in activities helping out with simple chores such as dishes after lunch, changing a light bulb and being personally responsible for picking up after yourself and others after activities. Volunteering to do specific duties such as cooking meals, leading an activity or working an event are things that will make the operation of the Center more cost effective and allow us to offer more varied activities that all can enjoy. There are lots of opportunities to help have a good time!

**The ASC Membership Drive continues! All new members will receive 2 free lunch tickets and 1 chance for a \$100 gift card upon completing and signing a membership form and paying the \$12 annual fee. If the new member is referred to ASC by a current member, that current member will receive 1 free lunch ticket and also a chance to win the gift card. The drawing for the gift card will be held on Thursday, Dec 23rd, at noon. Join, or refer a friend, soon!**

## A BRIEF HISTORY OF VETERANS DAY

VETERANS DAY, formerly known as Armistice Day, was originally set as a U.S. legal holiday to honor the end of World War I, which officially took place on November 11, 1918. In legislation that was passed in 1938, November 11 was “dedicated to the cause of world peace and to be hereafter celebrated and known as ‘Armistice Day’. As such this new legal holiday honored World War I veterans.

In 1954, after having been through both World War II and the Korean War, the 83rd U.S. Congress — at the urging of the veterans service organizations —amended the Act of 1938 by striking out the word “Armistice” and inserting the word “Veterans”. With the approval of this legislation on June 1, 1954, November 11th became a day to honor American veterans of all wars.

In 1968, the Uniforms Holiday Bill ensured three-day weekends for federal employees by celebrating four national holidays on Mondays: Washington’s Birthday, Memorial Day, Veterans Day, and Columbus Day. Under this bill, Veterans Day was moved to the fourth Monday of October. Many states did not agree with this decision and continued to celebrate the holiday on its original date. The first Veterans Day under the new law was observed with much confusion on October 25, 1971.

Finally on September 20, 1975, President Gerald R. Ford signed a law which returned the annual observance of Veterans Day to its original date of November 11th, beginning in 1978. Since then, the Veterans Day holiday has been observed on November 11th.
