You never really know the true impact you have on those around you.

You never know how much someone needed that smile you gave them.

You never know how much your kindness turned someone's entire life around.

You never know how much someone needed that long hug or deep talk.

So don't wait to be kind. Don't wait for someone else to be kind first.

Don't wait for better circumstances or for someone to change.

Just be kind, because you never how much someone needs it !!!

Our mission is to foster fellowship and recreational enjoyment for the seniors in our community.
