Wow, what a whirlwind these first 4 months have been as your Director ! It is crazy how fast time goes by when you are having fun! So excited to kick off March and all the activities and events taking place.

I just want to take this space and time to let each one of you know how grateful I am for the warm welcome into this position you have given me!

If you haven't met me yet, please stop in and say hello! I'm never so busy that I can't take a few minutes to visit !

My goal this year is to build up our volunteer base, create some new and exciting activities that have been suggested and mostly importantly, get the word out in the community who we are and what we have to offer !

Again, thank you for all the support,

Our mission is to foster fellowship and recreational enjoyment for the seniors in our community.

MARCH 16th FUNDRAISER...

IRISH CODDLE & BEER BREAD

The Irish Coddle & Beer Bread fundraiser is always well attended. Interested in helping? Instead of asking for food donations to prepare our fundraiser meal, we are asking for monetary donations to help us purchase needed ingredients. Or if you prefer, you can donate a dessert. There is a sign up sheet in the Activity Room so you can let us know if you plan to bring a dessert. All donations are appreciated!

Identity Theft, How to Protect Yourself

In 1/3 of all ATM card frauds, cardholders wrote their PIN on their ATM card or on a slip of paper kept with their card.

Banking

Prevent identity theft:

Sign credit or bank cards when they arrive and carry them separately from your wallet.

Never have your SSN printed on your checks.

Do not let merchants handwrite your SSN on your checks.

Pick up new checks at the bank instead of having them mailed.

Store cancelled checks in a safe place.

If You Are A Victim:

Cancel the account.

Set up new accounts/passwords.

Stop payment on unauthorized checks.

Contact check verification companies that handle your checks.

ATMs

Shield your hand when using an ATM.

Memorize your PIN. Never carry it in your wallet or purse. Never write it on your ATM card or on the outside of a deposit slip or envelope.

Always take ATM receipts with you.

Monitor statements.

If your ATM card has been misused, report it immediately.

Follow-up all calls with a letter. Order a new card with a new account. Set up a new password or PIN.

This information was taken from the National Child Safety Council "Identity Theft" booklet
