Our mission is to foster fellowship
and recreation enjoyment for the
seniors in our community.

If every single person who has liked you in your lifetime, were to light up on a map, it would create the most glittering beautiful network you could imagine. Throw in the strangers you've been kind to, the people you've made laugh, or inspired along the way and that star bright network of you would be an impressive sight to behold. You're so much more than you think you are. You have done so much more than you realize. You are trailing a bright pathway that you don't even know you are creating. What a wonderful thing that is. A wonderful thing indeed.

Over 90 & Going Strong...

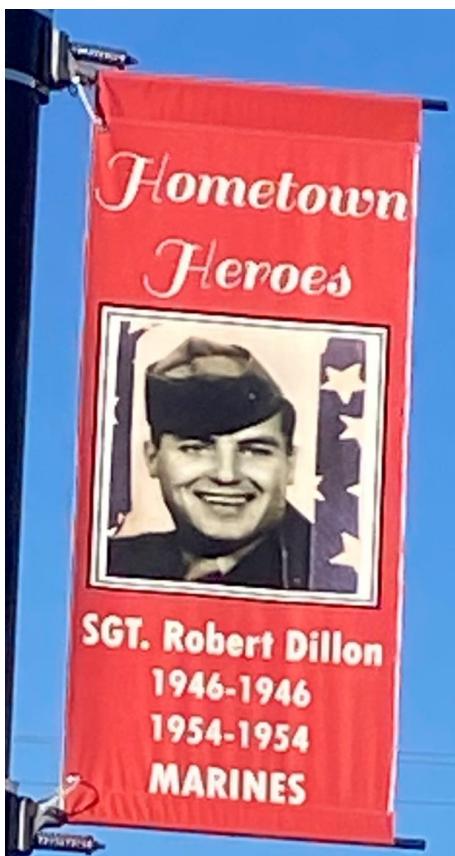

HONORARY MEMBER – ROBERT “BOB” DILLON

Bob Dillon was born on October 28, 1928 in Yankton, South Dakota. He had one brother and one sister and lived with his grandmother and aunt for a while in Sioux City, Iowa. Bob also lived in Illinois and Nebraska before settling in West Texas where he spent most of his life.

In 1946 Bob enlisted in the Marine Corp. After an honorable discharge in 1948, he reenlisted for another tour from 1951 to 1954. After his military service, he was employed by Santa Fe Railroad for 43 years. Starting out as a helper, he retired as Supervisor of Construction in the signal department.

Meanwhile, he met and married Fern Byrd in June 1952. They raised one boy and two girls, and he now has seven grandchildren, eight great grandchildren and two great-great grandchildren! In 1988 he married again to Brenda Cypert and he currently resides in Andover with his daughter Loretta. His grandchildren are scattered here and in Oklahoma.

Our friend Bob joined the Andover Senior Center five years ago and he is here so often that he is required to let us know if he is not coming in so that we don't worry. His favorite activities are lunch, coffee, card games and bingo. We salute Mr. Dillon and thank him for his service, and we welcome Bob with a smile and hug for our buddy. We are so glad you are here!
