Veterans day... at 11am, on the 11th day of the 11th month, in the year of 1918, an armistice between Germany and the Allied nations came into effect. In 1919, President Wilson declared the day should be filled “with solemn pride...in those who died in the country’s service”... We thank all of our veterans for their service to our country.

National Family Caregivers Month

November is National Family Caregivers month. If you are a caregiver or know someone who is, the following 10 tips can help you stay mentally and physically healthy while caring for someone else:

1. Seek support from other caregivers. You are not alone!
2. Take care of your own health so that you can be strong enough to take care of your loved one.
3. Accept offers of help and suggest specific things people can do to help you.
4. Learn how to communicate effectively with doctors.
5. Caregiving is hard work so take respite breaks often.
6. Watch out for signs of depression and don't delay getting professional help when you need it.
7. Be open to new technologies that can help you care for your loved one.
8. Organize medical information so it's up to date and easy to find.
9. Make sure legal documents are in order.
10. Give your self credit for doing the best you can in one of the toughest jobs there is!

SPOTLIGHTING!!! Honorary Member - PAT LIETZ

Patricia "Pat" Berland was born in Zurich, KS on a wheat farm on February 14, 1932. She had one brother and two sisters and attended elementary school at a small country school. After junior high and high school in Palco, KS she attended college at Fort Hayes where she majored in elementary education and accounting.

While still in college, Pat met Gilbert "Gil" Lietz whom she calls "an excellent choice". He was a veteran, a very hard worker and her parents loved him. They moved to Wichita 67 years ago where they adopted two children. Richard, who lives here in Andover, keeps a close eye on his mom, and Suzanne lives on a farm in western KS. Pat has eight grandchildren and 25 great grandchildren.

After Gill died in 2014, Pat continued to play bridge with several groups but when she lost her "bridge buddies", her son insisted she check out the senior center. She joined ASC three years ago and has become one of our treasured "regulars". A dedicated bridge player, she loves our lunches and has joined the group playing Hand and Foot.

We feel so blessed to count Pat as a friend and look forward to seeing her here as often as possible!
