Some of the kindest souls I have known, have lived in a world that was not so kind to them. Some of the best human beings I know, have been through so much at the hands of others, and yet they still love deeply, they still care. Sometimes, it's the people who have been hurt the most, who refuse to be hardened in this world, because they would never want to make another person feel the same way they themselves had felt.

If that isn't something to be in awe of...
I don't know what is....

Bianca Sparacino

Our mission is to foster fellowship and recreation enjoyment for seniors in our community.
