We often think we have nothing to share , but we do. Held in a smile , words from the heart, or a hug from the soul. What we believe is small could be the greatest kindness, just the right words or an expression of love someone has needed arriving at just the right time.

So keep sharing because the only way to cure a world that seems to be infected with lack of love and kindness for others is to infect it with more love and kindness.

KINDNESS IS FREE BUT WORTH MORE THAN ANYTHING!

Our mission is to foster fellowship and recreation enjoyment for seniors in our community.

NEXT...

HAVE YOU SEEN THIS MAN?

I just wanted to say how much I appreciate and love him.

He is the reason things run smooth in the office & he also keeps the Director in line.

He keeps track of all of our members and calls them on their birthday.

He is also the best at listening and just being there.

So if you happen to see him, please let him know how really special and appreciated he is...because he truly is.

Margit

United Methodist Open Door Ministry

Identity Theft, How to Protect Yourself

In 1/3 of all ATM card frauds, cardholders wrote their PIN on their ATM card or on a slip of paper kept with their card.

Banking

Prevent identity theft:

Sign credit or bank cards when they arrive and carry them separately from your wallet.

Never have your SSN printed on your checks.

Do not let merchants handwrite your SSN on your checks.

Pick up new checks at the bank instead of having them mailed.

Store cancelled checks in a safe place.

If You Are A Victim:

Cancel the account.

Set up new accounts/passwords.

Stop payment on unauthorized checks.

Contact check verification companies that handle your checks.

ATMs

Shield your hand when using an ATM.

Memorize your PIN. Never carry it in your wallet or purse. Never write it on your ATM card or on the outside of a deposit slip or envelope.

Always take ATM receipts with you.

Monitor statements.

If your ATM card has been misused, report it immediately.

Follow-up all calls with a letter. Order a new card with a new account. Set up a new password or PIN.

This information was taken from the National Child Safety Council "Identity Theft" booklet
