Thank you for coming to our Center, we are always happy to see you! Please remember to always sign in upon entering. It is important that you also indicate which activities you will be participating in, such as lunch, bridge, crafts, exercise etc. These numbers are very important when completing our mandatory quarterly reports, which , in turn, are used when determining the grant amounts we receive from Butler County and the City of Andover.

I also would like to thank the members and volunteers for making our Center such an enjoyable place to be. You make my life so happy.

Margit

Our mission is to foster fellowship and recreation enjoyment for seniors in our community.

Nothing is more important than empathy for another human being's suffering. Nothing. Not career, not wealth, not intelligence, certainly not status. We have to feel for one another if we're going to survive with dignity.
