

(First published in the Western Butler County Times, December 18, 1969)

ORDINANCE NO. 119

AN ORDINANCE PROVIDING FOR A SANITARY SEWER CONNECTION CHARGE AND DECLARING THE SAME TO BE NECESSARY FOR THE REGULATION AND INSPECTION OF PRIVATE SANITARY SEWER LINES WITHIN SAID CITY, AND DECLARING THE SAME TO BE A REASONABLE CHARGE AND PROVIDING FOR A SYSTEM OF INSPECTION OF PROPOSED AND COMPLETED SANITARY SEWER CONNECTIONS TO DETERMINE WHETHER OR NOT ANY NEWLY CONSTRUCTED PRIVATE SEWER LINES AND ANY PROPOSED OR COMPLETED SANITARY SEWER CONNECTION TO THE CITY SANITARY SEWER SYSTEM IS IN ACCORDANCE WITH THE PROVISIONS OF ORDINANCE NO. 84 AS PASSED AND ADOPTED BY THE GOVERNING BODY OF THE CITY OF ANDOVER, KANSAS ON THE 11TH DAY OF MAY, 1968, PROVIDING FOR PENALTIES FOR UNLAWFUL ACTS RELATING TO SANITARY SEWER SYSTEM IN THE CITY OF ANDOVER

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF ANDOVER, KANSAS:

Section 1. That the Governing Body of the City of Andover, Kansas, determines and declares the necessity to regulate connections to the sanitary sewer system of said city and to inspect the same for the protection of the health, safety, and welfare of the residents of said city and to levy a sewer connection charge for the administration of the same.

Section 2. That hereafter any new connection made to the sanitary sewer system of the City of Andover, Kansas shall not be made until the owner of the property shall make application to the City Clerk and pay a sewer connection fee of Fifty Dollars (\$50) to said Clerk.

*Sec. 2
repealed
by
Ord #136*

Section 3. That prior to the making of said connection (and after the application is filed with the City Clerk) the City shall cause an adequate inspection to be made of the proposed connection, both before and after said connection is made, and an inspection of the premises to be served, including the private lateral service line to said sewer to determine the following:

- (a) Whether or not said proposed connection or completed connection endangers the public health, safety, and welfare of the inhabitants of the City of Andover, Kansas.
- (b) To determine whether or not the private lateral sewer lines connected to the city sewer system are adequate to prevent the infiltration of surface water into the sewer system of said city.

(c) To determine whether or not roof drains, patio drains, or any other drains to carry off surface water are connected to said sanitary sewer system on the premises.

Section 4. IT IS HEREBY DECLARED that any connection to be made which permits the infiltration of surface waters into said sewer system or the seepage of sewage affluent from said sewer system into the adjacent soil structure shall be prohibited, and those parties charged with the inspection shall not approve such sewer connection or any other sewer connection to private property which endangers the public health, safety and welfare of the residents of the City of Andover, Kansas; or permits the infiltration of any sewage other than that normally contemplated in a sanitary sewer system, including but not limited to, surface water and any other sewage which would overload or be destructive to the sanitary sewer system of said city. Likewise, no such connection shall be permitted where any portion of the private sewer system served by such connection violates any provision of Ordinance No. 84 as passed and adopted by said Governing Body on the 11th day of May, 1968.

Section 5. That any person or persons violating any of the provisions of this Ordinance, including but not limited to those provisions relating to making an application for sewer connection and payment of said connection charges, shall be fined in any sum not less than Five Dollars (\$5) nor more than One Hundred Dollars (\$100).

The above ordinance passed and adopted this 13 day of December, 1969, by the Governing Body of the City of Andover, Kansas.
