Thank you for your sacrifice,

You gave your strength, your youth, and time.

You did a job that not many will.

You deserved our respect, and you do still.

Though you didn't give your life, you were a willing soul.

Only your brothers in combat, your suffering truly know.

We love that you are here with us and honor who you are.

A grateful nation appreciates every single scar.

That wrote upon the slate of you, though you were so brave.

You came back to us a hero, you are not quite the same.

For you have learned to bear the weight, of defending freedom's call.

But you did come back, and that is what we give thanks for most of all.

**May God Bless all of America's Veterans.**

**Our mission is to foster fellowship and recreational enjoyment for the seniors in our community.**
