PARKS & RECREATION

A MESSAGE FROM PARKS AND RECREATION

Many exciting projects are in progress that will soon be added to the City of Andover Park and Recreation inventory and the opportunities available to our community. The 13th Street Sports Park reconstruction is nearing completion, landscaping improvements within Central Park and the Lodge reconstruction will be underway in 2024, the new park scheduled next to the Fire Station #2 will soon be installed as well.

Heritage Park Plaza and the Harry Street Nature Trails both opened to the public in early 2024. We are excited to operate a new splash pad in summer 2024, and the department has been preparing with specialized

trainings for its operation.

Staff have been managing the traditional springtime grounds care at City properties. In March, staff organized the implementation of a prescribed burn as part of the management plan for the native prairie areas along the west portions of Central Park. This effort was made possible with collaboration between Andover Fire-Rescue and the Parks & Recreation staff.

Several community activities have already been offered this spring including the Eggsploration Andover Easter Egg Hunt in March, a Disc Golf Tournament in April, the first-ever Family Kite Flying Day this spring, as well as the second annual Bike Safety Day.

The 2024 baseball and softball season is underway and we appreciate the community support we receive from parents to become volunteer coaches, the program would not be successful without you!

Department staff have worked hard to train our baseball and softball officials, conducting several training sessions prior to the beginning of the season.

ASM Global is developing a full calendar of events at the Capitol Federal Amphitheater® in 2024. There will be new events along with several popular returning festivals such as Burger Battle and Taco Fest are on the schedule this summer!

CENTRAL PARK

Andover Central Park is in the heart of Andover at 1607 E Central, home of City Hall and the Andover Public Library and is filled with things to do from business to recreation.

This 80-acre park features a gorgeous fishing lake, Lake George, which is ADA accessible and stocked by the Kansas Department of Wildlife and Parks. The Community Fisheries Assistance Program (CFAP) improves fishing opportunities and access at community lakes.

The state leases the fishing rights from over two hundred community lakes statewide. Kansas fishing license regulations apply and harvest and creel limits are posted at the lake and can be found online as well. No swimming/boating is allowed.

Central Park is also home to an 18-hole disc golf course that winds through trees and throughout Central Park. With challenging shots over the water and around obstacles, the course hosts several tournaments every year.

Central Park has plenty of rental shelters for birthday parties, family reunions, and picnics or get togethers. There are also restrooms open 24/7 along with a FEMA rated storm shelter open at all times. The new playground was added in April 2022 and is available for play.

Central Dog Park is open. It allows a section for large and small dogs. It has city water available for dogs to use. Waste bags are offered free of charge along with trash receptacles.

GRAND OPENING: HARRY STREET NATURE TRAIL PARK

Harry Street Nature Trails opened to the public in February 2024 with a ribbon cutting event.

Citizens have enjoyed the 1.5+ mile of mulched walking trails among the property. The security light at the parking lot has been installed. The large field has been planted and visitors will be noticing the native grass stand taking hold during this growing season.

The walking trail is located just east of the Wastewater Plant and is open to the public dawn to dusk.

NEIGHBORHOOD PARKS

In addition to the 13th Street Sports Park and the Andover Central Park, Andover has several smaller parks located throughout the community.

REDBUD TRAIL

Andover Augusta Rail Trail Initiative, Inc. (AARTI) partners with local communities to strengthen and maintain the Redbud Trail. AARTI helped develop and currently maintains the miles of the Redbud Trail from Andover to Hwy 400/54.

The Redbud Trail travels along the Burlington Northern Santa Fe rail corridor. The rail corridor stretches 11 miles in the City of Wichita, of which six miles are paved concrete. The trail passes city parks, employment hubs, the Wichita State University campus, and intersects with the K-96 bicycle path. The Redbud Trail continues east to Butler County, where the City of Andover has a 10-foot-wide concrete hike/bike path to 13th Street.

From 13th Street to US400/54 the City of Andover partnered with

AARTI to develop the Redbud Trail with crushed limestone. AARTI is working closely with local communities to expand the Redbud Trail to the City of Augusta in the future.

To get involved, volunteer, or learn more about upcoming events, please visit

redbudtrail.org

A public restroom was opened in the fall of 2023 and a toilet paper cutting ceremony was held with AARTI, the City, and Chamber members in attendance.

Sharing the road

“On the Left”

When using the Redbud Trail you need to speak up! Using the term “On The Left” signals other trail users you are approaching. This is a very important tool to help avoid collisions with other trail users.

Weather or not

The Redbud Trail is not an all-weather trail, meaning that when the trail is wet and trail activity continues, it causes damage to the quality of the trail. We recommend avoiding the trail when wet or stick to the sides.

Keep to the right

Trail flow is similar to the rules of the road. When using the trail slower traffic keeps to the right, allowing faster-moving traffic to pass on the left. This causes the trail flow to remain unclogged and limits accidents.

Wildlife

Be aware that since a section of the Redbud Trail is outside city limits there is wildlife that inhabits that area. Be cautious of your surroundings so as to not disrupt their environment. Do not feed, touch, interact, harass, or harm the wildlife.

Be a good neighbor

Be respectful of adjacent property owners’ land and keep the trail clean with no litter.

Yielding

On the trail, individuals need to yield to others to avoid accidents. Faster traffic must yield to slower traffic.

Vigilance

When on the Redbud Trail, it is a personal responsibility to stay alert and to look over your shoulder frequently. It is a good idea when using headphones to use a low volume in one ear.

HERITAGE PARK PLAZA

Heritage Park Plaza is officially open to the public, ceremonial ribbon cutting occurred on May

3. As the Heritage Development progresses, look for various events to be hosted here, including the

Corvette Blitz and more. You can also reserve this space at andoverks.com/recreation.

THE LODGE: COMING SOON IN CENTRAL PARK

The Lodge replacement project is still in progress. Details of the design are being finalized, and

construction of this project is planned to commence at the completion of the 2024 in order

to minimize any disruption with the concerts and events planned at the Capitol Federal Amphitheater®.

CORNERSTONE NEIGHBORHOOD PARK

Andover Cornerstone Park is the city's newest neighborhood park. It is located at the corner of Cornerstone Parkway and Sandstone Street, at the roundabout. It has Park Benches, a Covered picnic table, and Playground equipment for all ages.

ANDOVER HEIGHTS MINI PARK

Andover Heights Mini Park is located in the Andover Heights Addition by the intersection of Marc and Aaron. It has a Picnic Table, Park Benches, a Sand box, and a Swing set.

ANDOVER VILLAGE MINI PARK

Andover Village Mini Park is a greenbelt area with playground equipment in the Andover Village Addition on Village Road. It has a picnic table, benches, a sand box, and a swing set.

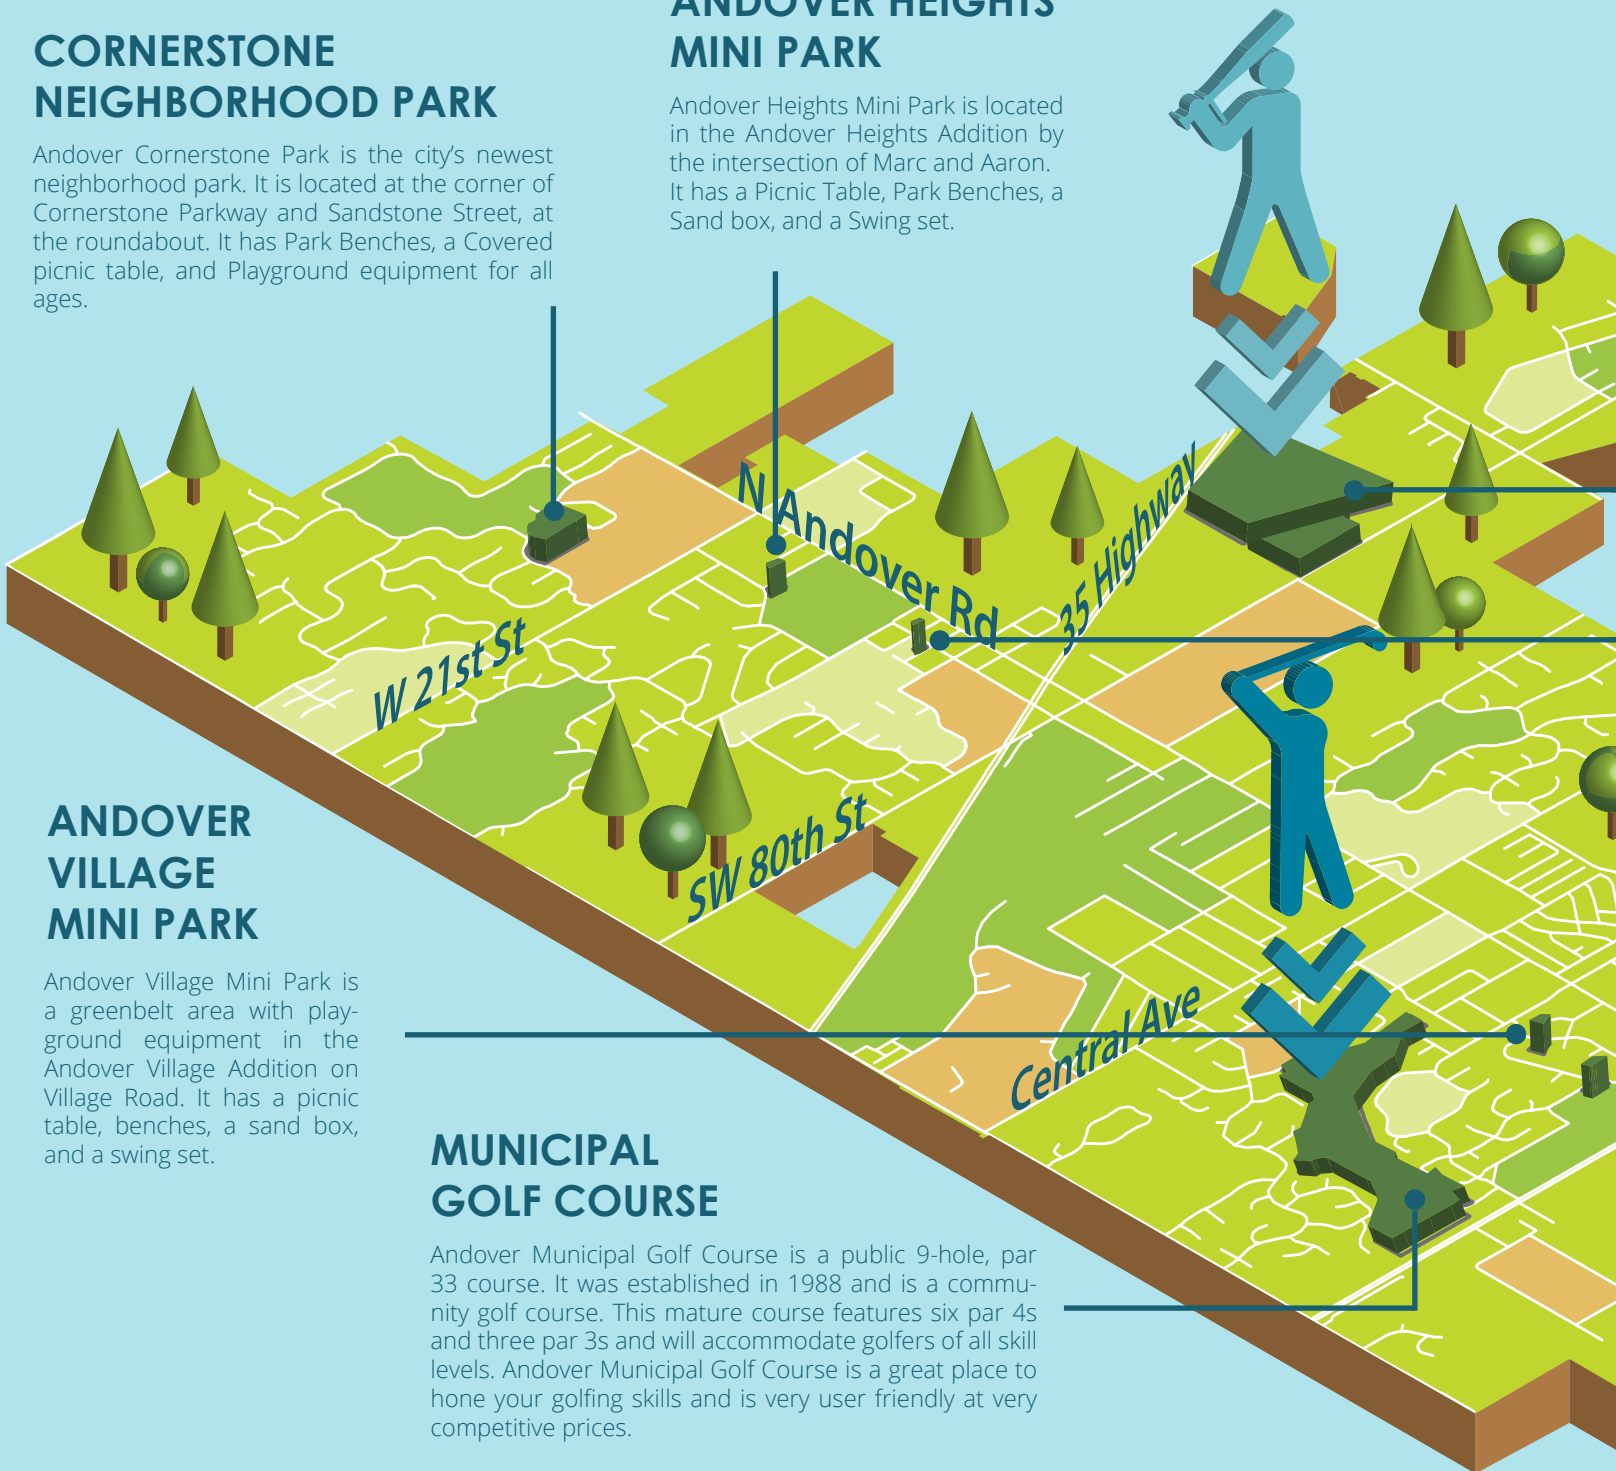

MUNICIPAL GOLF COURSE

Andover Municipal Golf Course is a public 9-hole, par 33 course. It was established in 1988 and is a community golf course. This mature course features six par 4s and three par 3s and will accommodate golfers of all skill levels. Andover Municipal Golf Course is a great place to hone your golfing skills and is very user friendly at very competitive prices.

THE PARK SYSTEM

Andover is situated just outside of Wichita, KS and is known for its vibrant recreational opportunities, events and highly sought-after school system. In addition, the City offers 7 parks and 1 municipal golf course that totals approximately 196 acres of parkland. These range in size and use, with Central Park being the largest park in the system with 70 acres to Redbud Trailhead Park with 0.16 acres as the smallest. Both offering very different amenities. Andover offers a little bit of everything! Each mini park in the system offers a different type of playground

for more passive use, while Central Park is a destination park for big events, fishing, and active recreation. 13th St Sports Park houses the City's sports facilities, the Andover Community Center, volleyball and tennis courts; making it Andover's active recreational park for people of all ages. This master plan provides a strategic action plan for the City of Andover to follow for the next 10 years based on community needs and the analysis that was conducted city-wide. Learn more about the Andover park system and the master planning process in the following chapters.

13TH STREET SPORTS PARK

The 13th Street Sports Park is located at 1008 E. 13th Street and has many recreational facilities. The tennis courts are on 13th Street west of the main park entrance with a picnic shelter, charcoal pit, restrooms and a large area for all types of group games / sports.

REDBUD TRAILHEAD PARK

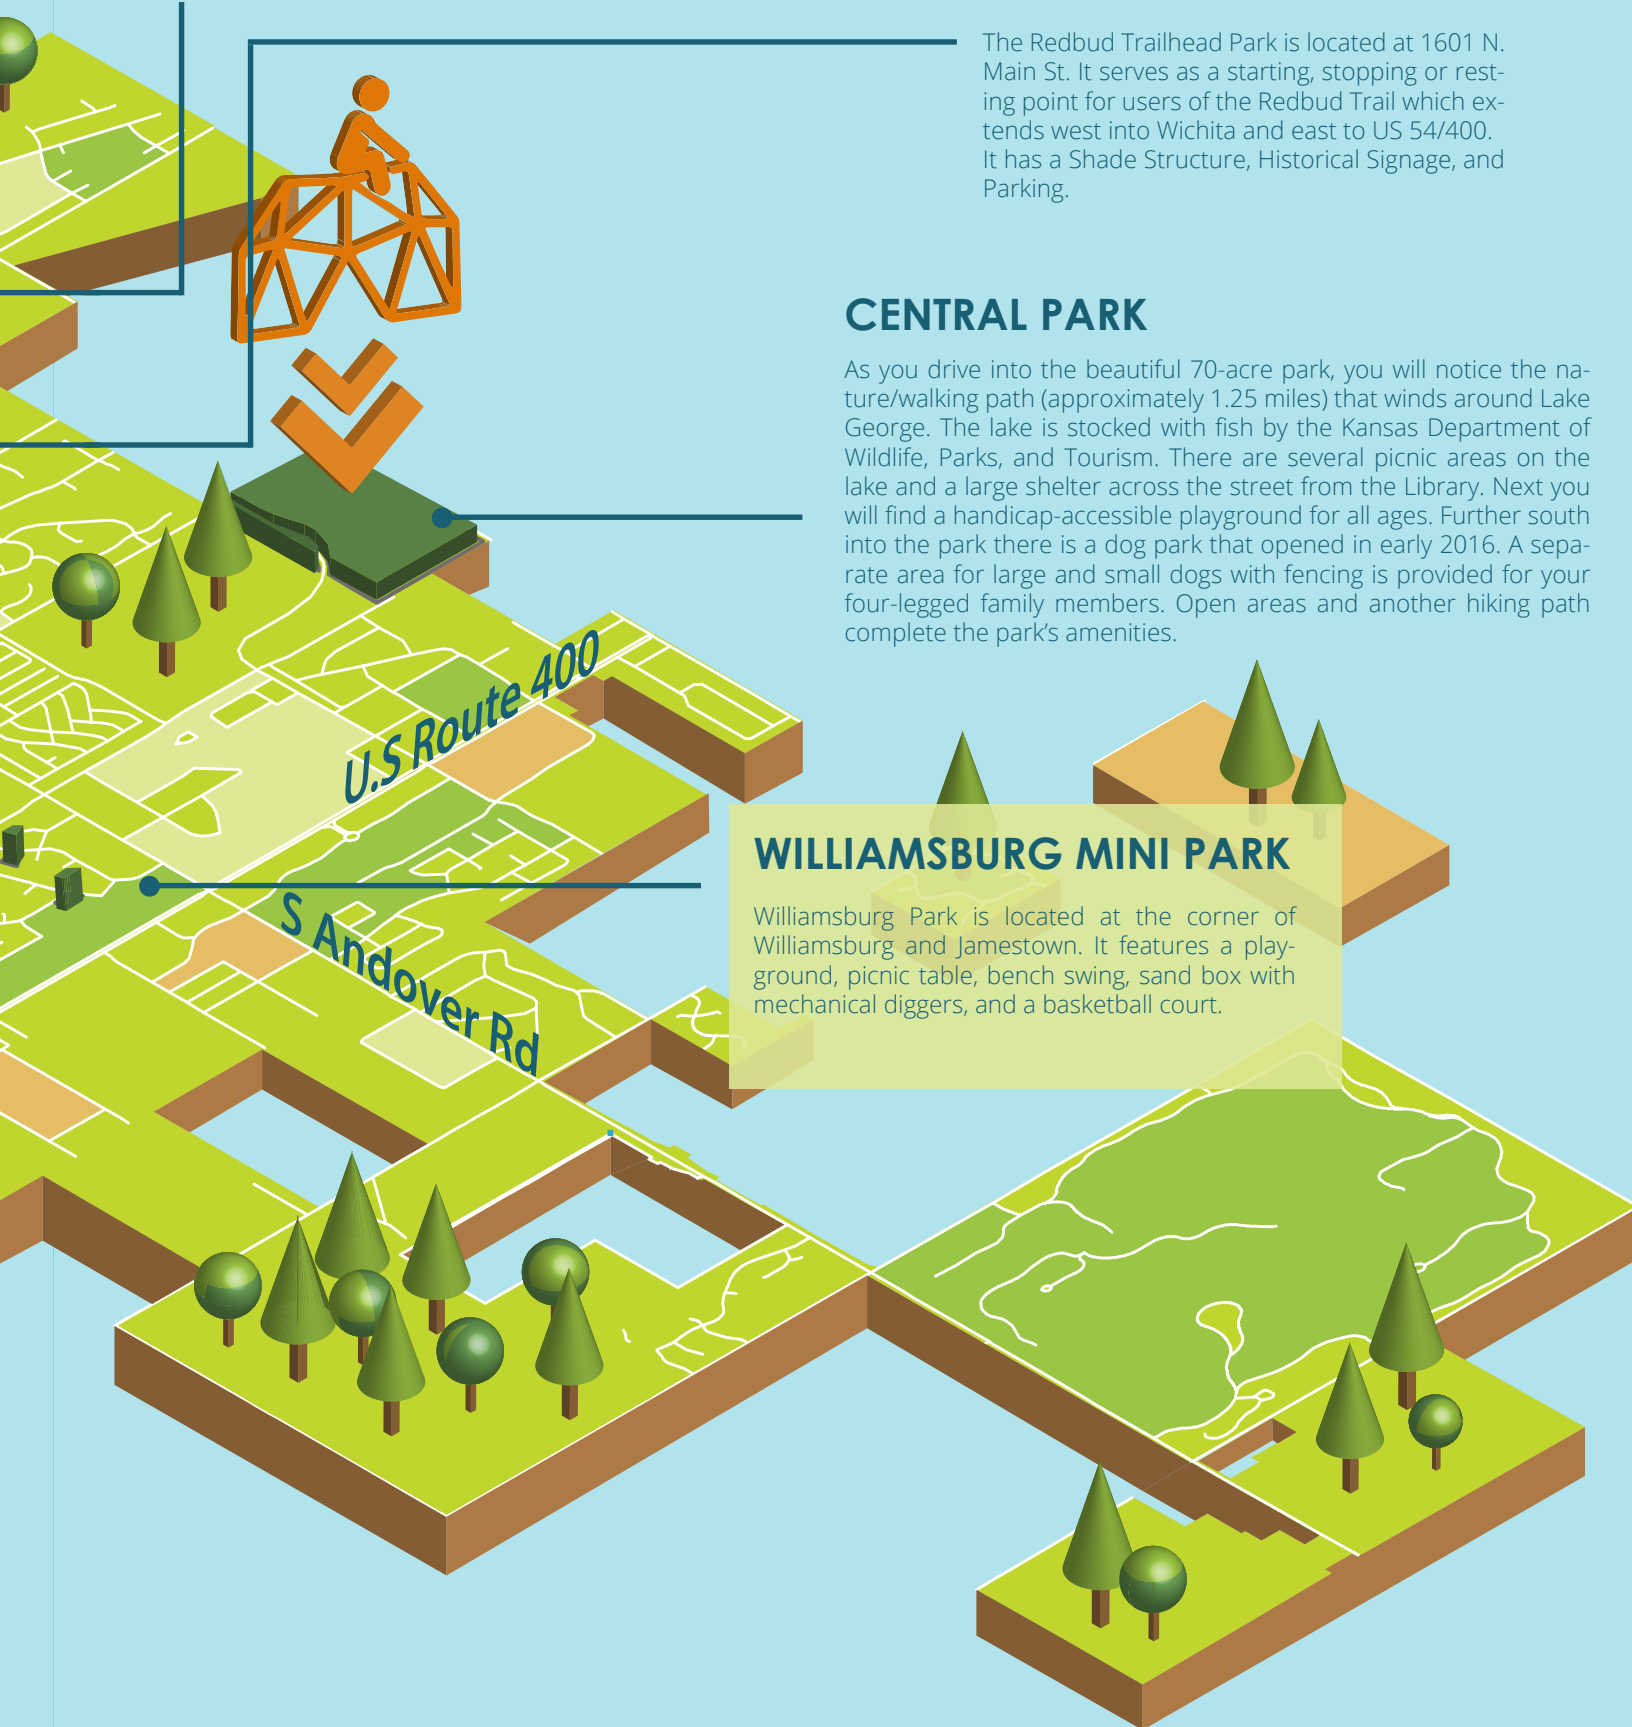

The Redbud Trailhead Park is located at 1601 N. Main St. It serves as a starting, stopping or resting point for users of the Redbud Trail which extends west into Wichita and east to US 54/400. It has a Shade Structure, Historical Signage, and Parking.

CENTRAL PARK

As you drive into the beautiful 70-acre park, you will notice the nature/walking path (approximately 1.25 miles) that winds around Lake George. The lake is stocked with fish by the Kansas Department of Wildlife, Parks, and Tourism. There are several picnic areas on the lake and a large shelter across the street from the Library. Next you will find a handicap-accessible playground for all ages. Further south into the park there is a dog park that opened in early 2016. A separate area for large and small dogs with fencing is provided for your four-legged family members. Open areas and another hiking path complete the park's amenities.

WILLIAMSBURG MINI PARK

Williamsburg Park is located at the corner of Williamsburg and Jamestown. It features a playground, picnic table, bench swing, sand box with mechanical diggers, and a basketball court.

HOMETOWN CHRISTMAS

MARK YOUR CALENDARS: Thursday, December 12, 2024

On the second Thursday of December, Andover Central Park, and surrounding buildings become a winter wonderland. The evening kicks off with a tree lighting ceremony on the plaza and the arrival of Santa Claus, followed by a variety of fun events including hay rack rides through a luminary lit path in the park, s'mores with Andover emergency responders, holiday themed crafts at the library, local music, pictures with Santa, and a spectacular light show at Capitol

Federal Amphitheater®.

In 2020, a tradition to coincide with Hometown Christmas was restarted – a holiday light decorating contest. Businesses and residents in Andover can enter to win cash prizes and bragging rights over their neighbors for the best decorations. Judging occurs in the first week of December, leading up to Hometown Christmas, and winners are announced during the festivities in Central Park that evening.

Andover Caring and Sharing

benefits, annually, from this event through donations of new toys, staple and canned goods, as well as cash contributions from our very generous citizens. Caring & Sharing is a 501c3 nonprofit organization that provides area families with assistance in various ways, including gifts for kids and food for a special holiday meal in December. The celebration offers lifelong memories for those in attendance and the families that need it most.

The annual holiday light show takes place in Central Park Thanksgiving through New Years Day. It is FREE and open to the public

Enter our neighborhood holiday light contest starting in November.

Cash prizes awarded to winners!

ASM GLOBAL

The City of Andover, Kansas, has announced a partnership with ASM Global, the world's leading venue-management company and producer of live-event experiences, to manage and operate the Capitol Federal Amphitheater®.

The City of Andover's City Council approved an initial five-year contract with ASM Global in September with the company scheduled to take over management beginning Jan. 1, 2024.

"We look forward to having ASM Global on board to take the Capitol Federal Amphitheater® to the next level in terms of concerts and events for our residents," said Mayor Ronnie Price.

City Administrator Jennifer McCausland agreed, stating, "We are excited to bring more

visitors to Andover for an awesome Capitol Federal Amphitheater® and Andover experience."

Capitol Federal Amphitheater® joins a worldwide portfolio of more than 350 stadiums, arenas, convention centers and theaters managed by ASM Global, including NFL stadiums and NBA and NHL arenas. The company's growing portfolio of amphitheaters includes The Greek Theatre in Los Angeles; the much-anticipated Thunder Ridge Nature Arena in Ridgedale, Missouri; Champions Square in New Orleans; Pinewood Bowl Theater in Lincoln, Nebraska; and more.

"For years ASM Global has been managing and operating some of the most exciting outdoor venues and amphitheaters in the world," said Tony Cima, senior vice

president, ASM Global. "We look forward to this new partnership with the City of Andover and are confident that we have the invaluable industry expertise, best practices and tools from working with these unique venues to be able to provide a world-class experience for all artists, event planners and guests at Capitol Federal Amphitheater®."

ASM Global will provide on-site staff and oversee the amphitheater's day-to-day affairs, including marketing, managing the box office for ticketed events, contracting with vendors, event booking and management, and licensing and permits and will also oversee food and beverage concessions and catering.
